

MEGAN'S LAW BACKGROUND CHECK

San Clemente Little League in compliance of Little League Baseball, Inc. requirements will run background checks on all managers, coaches, Board of Directors and all other volunteers that are involved or may become involved with our children.

Every volunteer is required to file with the league a completed Little League Volunteer Application as per the regulations. Failing to file the application will immediately terminate that person's participation in San Clemente Little League.

The safety of our children is our most important function. San Clemente Little League will not tolerate any type of abuse, verbal or physical.

Continuing with the 2008 season, Team Moms will also be serving in the capacity of Team Safety Officers. They will be advised to report any problem to the League Safety Officer or to any Board Member.

Sam Masotto
